

Family Literacy Day!

January 27th, 2026

What is Family Literacy Day?

Family Literacy Day was created by ABC Life Literacy Canada in 1999 to raise awareness of the importance of reading and engaging in other literacy-related activities as a family. Held annually on January 27, the theme this year is....

Make Mealtime a Family Learning Time!

Preparing for mealtime is a fun (and tasty) way for families to learn together. Whether it's following recipes, making shopping lists, or sharing stories at the dinner table, make your mealtime a family learning time.

“So, on this Family Literacy Day, remember:

Literacy isn't only built through books and pencils.
